

How Much Is The Fear of Speaking Up Costing You?

When it comes to talking one-on-one or to groups...

Do you ever feel afraid of:

- ☉ Discussing certain subjects or speaking to groups because you're scared of embarrassing yourself
- ☉ Making a poor impression and ruining your chances of being taken seriously
- ☉ "Going blank" just when you have everyone's attention
- ☉ Being so nervous you sound like a fool

It doesn't have to be that way!

Patty Shortreed has helped hundreds of emerging leaders, managers and sales people who now look forward to opportunities to communicate one-on-one and to large audiences.

How would you like to:

- ☉ Confidently express your ideas and opinions, even in difficult situations
- ☉ Effortlessly engage, inform or persuade
- ☉ Make a lasting, positive impression
- ☉ Feel confident about expressing yourself in any situation

How would your professional or personal life change if you had unshakable confidence every time you opened your mouth?
